- V. **Chair Report**
 - a. ***Emily Martens- Chairperson***
 - SFC currently has \$91,254.84. The EFG meeting is next Thursday; please be in Jamrich 1317 by 5:30 p.m. The groups will be coming in 30-minute increments. This is our last budget hearing of the semester. I really appreciate everyone's help this semester and everything you've done for this committee. Because of you guys, we have helped host a bunch of events. ASNMU voting did open today, so make sure you vote. Olivia Dunn will be joining SFC in the fall, and there will likely be another person submitting an application. The new bylaw has been drafted and will read as follows: "The budget consists of funds being used to pay for a current student, faculty member, and/or staff member as an outside contractor." That will be approved either this week or in the fall.
- VI. **Advisor Report**
 - a. ***Jeff Korpi- Faculty Advisor***
 - It's good to see Kash back. It's been a pleasure working with you this semester. Thank you for all your hard work! It really all culminated this weekend, the Bryce Vine event had about 800 attendees and that's huge. I think that energy will really carry on not only for the rest of the semester, but into the next year.
 - b. **Kash Dhanapal:**
 - You all should be very proud of yourselves. In addition to doing all the normal work, there's also that referendum up for vote. Regardless of what happens that takes a lot of extra effort, so good job!
- VII. **New Business**
 - a. **Culture Shock Film Society**
 - *Hunter*: Culture Shock is focused on putting on showings of culturally, artistically, and socially important films. We normally have fairly good attendance. We have grown our organization to 35 members. This is the budget for next semester's showings so that we can jump right in. We are looking at showing 10 films, so the public performance rights, the BluRays, and two runs of posters add to a total of \$2,920 for this budget. There are two films on the docket with unknown distributors, so those two may end up getting replaced. Other than that, there is nothing new.
 - **SFC Deliberation**

- a) *Sydney*: I think this is cool of him to come in before the next semester.
- b) *Spencer* motioned to approve Culture Shock Film Society's budget in full for \$2,920
 - o *Sydney* second; passes unanimously

b. Divest NMU

- *Molly*: A few weeks ago, we applied for an Earth Week budget that turned out to be a bit more expensive than we were anticipating. The speaker has booked her flights, and the cost has come to about . I also want to leave her a little extra for food and transport. \$500 is a full number and if there is anything left over, we would give it back to the Student Finance Committee.
- **SFC Deliberation:**
 - a) *Spencer* motioned to approve Divest NMU's budget in full for \$500
 - o *Hunter* second; passes unanimously

VIII. Old Business

- a. No old business

IX. Good of the Order

- a. *Emily*: At the concert this weekend, they promoted the allocation increase as well as the elections. So, again, please vote in the ASNMU elections for that.

X. Adjournment

- a. Meeting adjourned at 8:22 p.m.
